Ski Craft

Section 270:73

270:73 Definitions. – In this subdivision:

- III. "Operator" means a person who operates or who has charge of the navigation or use of a ski craft.
- IV. "Private boat" means a boat as defined in RSA 270:2, V, including a ski craft.
[RSA 270:2, V. The term "private boat" shall mean any boat, not a commercial boat, propelled by electric, human or mechanical power used exclusively for pleasure purposes by its owner, or others with his permission.]
- V. "Ski craft" means any motorized watercraft or private boat which is less than 13 feet in length as manufactured, is capable of exceeding a speed of 20 miles per hour, and has the capacity to carry not more than the operator and one other person while in operation. The term includes a jet ski, surf ski, fun ski, or other similar device. "Ski craft" does not include any watercraft or boat with twin hulls and which is greater than 11 feet long, greater than 5 feet wide, and powered by an outboard motor.
- VI. "Watercraft" means a motorized ski craft, capable of being used as a means of transportation on or in the water, except a seaplane.
